

## **Gail Gregory's Z fold card Christmas design**

You will need:

- A4 card
- Fancy card
- 2 x Christmas tree dies
- Snowflakes
- Christmas (words)
- Clear PVA glue
- Double sided tape
- 3D double sided tape

Fold your A4 card in half

Then cut to size 15cm x 15cm

Fold the front piece of your card in half so it is now 7.5cm

You should now have your Z fold

The piece of card you have cut off the bottom of your A4 15 x15cm we will be using. Should be a thin Z fold strip of card

Decorate with fancy card 14cm x 14cm

Stick with double sided tape

The piece we have cut off the bottom of the A4 we will attach to the bottom of the card, with double sided tape

Decorate with Christmas trees, snowflakes and Christmas wording
